Remembrance

Everyone has their own reason for participating in the Run. Some run for the athletic challenge, others to raise funds for charity... there are also many people who participate to honour the memory of someone who has touched their lives.

Participation

With over 1,500 participants, this 5k run or 3k walk is the largest of its kind in Canada and is one of the most popular running events in the GTA. It's also the largest single fundraising event during Pride week. Celebrities, political leaders and people like you join together to support charities in need.

We would love to hear from you. Please contact us at: info@priderun.org
